Thank you so much for being here today and supporting local art! In an effort to continually improve our event, we would be grateful if you would take a moment to fill out the following questionnaire. Either leave it at one of our hospitality stops or with one of our artists before leaving the event, or drop it in a mailbox at your convenience. If you are interested in receiving notification about next year's event, please be sure to fill out your return address on the reverse of this card. Again, thanks for your support, and we look forward to seeing you again next year.
